

AUSCUT

ALPHACUT FLEXWING SLASHERS

ENGINEERED FOR DURABILITY

WHAT IS THE ALPHACUT?

The AlphaCut is an extra heavy-duty Australian-made slasher suited for all slashing, mulching and topping applications in both stubbles and pastures. Based on extensive farming experience and customer feedback, the AlphaCut was developed to provide an innovative and practical solution to meet your slashing needs. Primarily used in farming applications, the AlphaCut is also an effective tool for councils, airports and roadside slashing purposes.

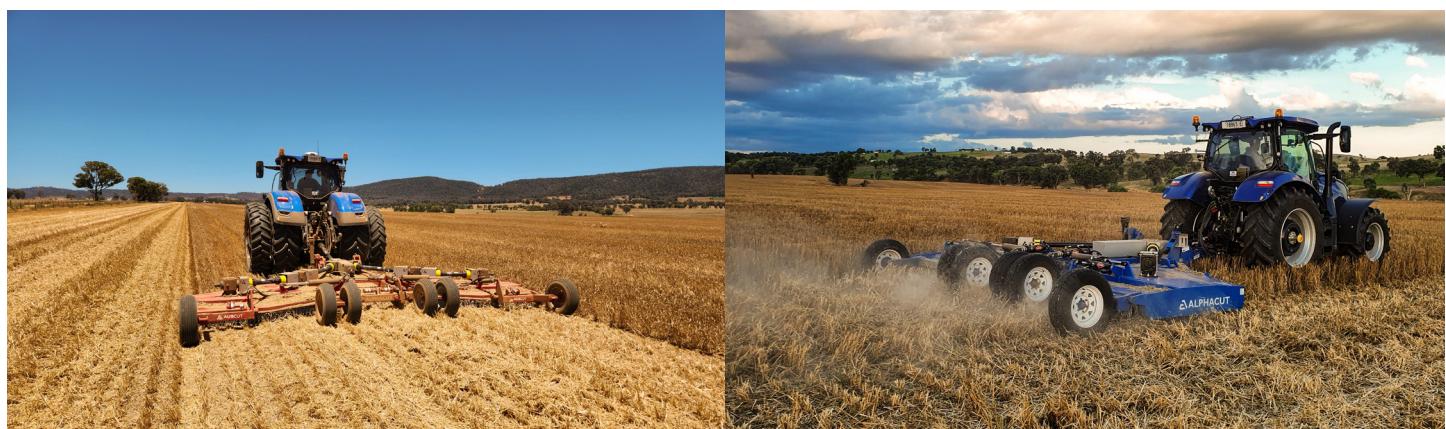

KEY FEATURES:

- » High deck clearance allows for even mulch distribution
- » Spend less time cleaning with a smooth, open deck layout
- » Easy to operate with simple height adjustment controls
- » Heavy duty blade system allows for mulching of large material
- » Fully welded & powdercoated for heavy duty construction
- » Excellent finish for both slashing & mulching
- » 3mm reinforced deck with RHS subframe and under-frame enforcement
- » WHS compliant with full chain curtains and long adjustable skids

UPGRADE OPTIONS:

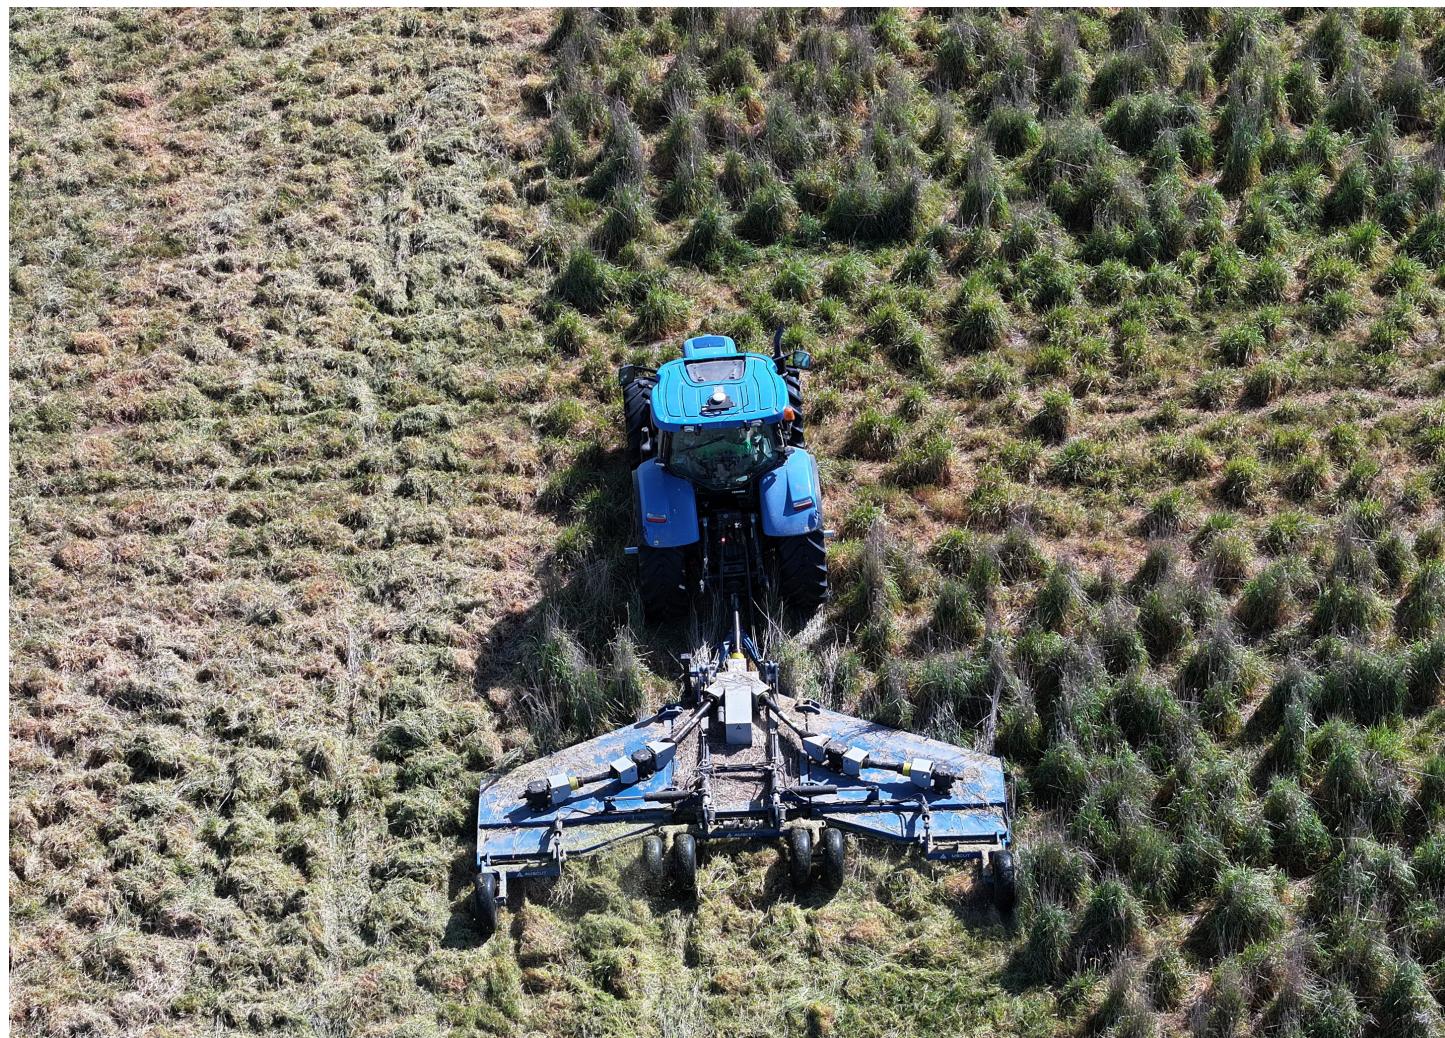

- » Mulching kit
- » Disc blade carrier

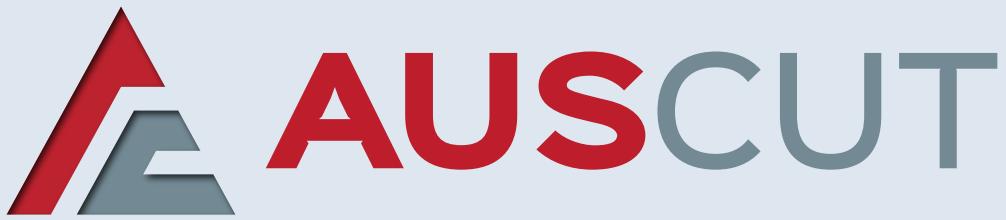

ENGINEERED TO
MAKE YOUR JOB EASIER

SPECIFICATIONS	64T51	64T65
Configuration	Trailing	Trailing
Cut Width (m)	5.1	6.5
Transport Width (mm)	2.1	2.5
Weight (kg)	3300	3800
Cut Height (mm)	45-400	45-400
Deck Thickness (mm)	3	3
Rotor Diameter (mm)	1.8 x3	1.4 x5
Tractor Minimum Horsepower (hp)	110	130
Tractor PTO Speed (rpm)	540	540 / 700 (540e)
Blade Speed (fpm)	16 500	15 000 / 19 500
Driveline Horsepower (hp)	220	220
Warranty	1yr Deck Warranty / 3yr Gearbox Warranty
