BRAVO SINGLE SPINNER SLASHER

Built for farmers, the AusCut Bravo Single Spinner is a heavy duty slasher that is an ideal all-round solution for roadside clearing, pasture maintenance and yard clearing. This fully fabricated, robust unit is complete with long adjustable skids and finished with high quality powder-coating to ensure longevity and full asset protection.

KEY FEATURES:

- » High deck clearance allows for even mulch distribution
- » Spend less time cleaning with smooth, open deck layout
- » Easy to operate with simple height adjustment controls
- » WHS compliant with full chain curtain & long adjustable skids
- » Heavy duty blade system allows for mulching of large material
- » Option to fit disc as blade carrier

UPGRADE OPTIONS:

- » Rear wheel kit
